- Service Trucks
- Loaders • Cranes

MAINTENANCE

Comiskey Mining Services can create and/or customise the planning, scheduling and maintenance of equipment.

PROJECTS

We provide turnkey solutions for your equipment and maintenance needs. Specialising in matching the best equipment to the customers applications and environments.

OUR CORE VALUES

SAFETY

Safety engrained into our decisionmaking practices and working environment so employees and clients can return home safe and unharmed.

CUSTOMERS

To deliver on promises and commitments, we will strive to find the most cost effective way to deliver results in our business for both our shareholders and clients alike.

PEOPLE

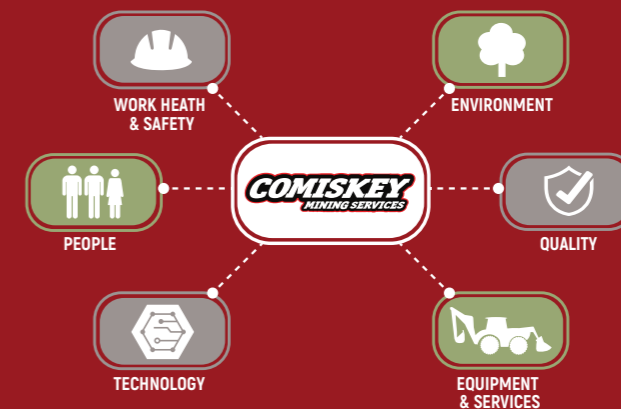

We will conduct business honestly and with integrity, and treat all people with respect and be accountable for all our actions and our dealings.

OUR VISION

TO BECOME A LEADING PROVIDER OF CUSTOMER SPECIFIC MINING EQUIPMENT HIRE SOLUTIONS.

OUR MANAGEMENT SYSTEM

BB Country is a majority owned indigenous business based in Central Queensland, Comiskey Mining Services supports Aboriginal & Torres Strait Islander initiatives and CMS are proud to support BB Country with cross hire equipment within the region". Further information regarding BB Country can be found at admin@bbcountryservices.com.au

OUR PARTNERS

Most companies would refer to them as customers but we prefer to say partners because our business continues to grow with the success of our partners.
